

Getting Started

Using Zinio requires the creation of two accounts—a Library Zinio account to view the Library’s magazine collection and a free Zinio.com account to read magazines online or with the Zinio Reader app. We recommend using the same email and password when creating both accounts.

Checking Out a Magazine

- Using a web browser, go to www.btpl.org. Under the **Downloads** tab, select **Zinio** under the heading **Digital Magazines**.
- Browse our collection by title and subject or search for a specific title. Click on a magazine cover to see available issues and click **Checkout**.
- Click **Create New Account**. Enter the required information and click **Submit**.

- Enter your **Library Card Number** and click **Next**.

- Enter your first and last name, email address and new password and click **Create Account**. Your magazine is now checked out and available to read in your Zinio.com account.
- The next time you check out a magazine, you will enter your email and password and click **Log In**.

Reading Your Magazine

- After checking out your magazine, a Zinio.com window will open in a new tab, click **Create A Zinio Account**.

Installing the Zinio App on your Tablet or Smartphone

- Once installed, login with your Zinio account and all checked out magazines will automatically appear in your **Library**.
- Use the Zinio app only to read your magazines. Browse and check out new issues of library magazines using a web browser.

Checking Out Additional Magazines

- Return to the [Library's Zinio Collection](#) using your web browser to check out additional magazines. To access the collection, go to the library's website www.btpl.org and under the Downloads tab, select Zinio under the heading Digital Magazines.
- You cannot check out magazines with the Zinio Reader app or on the Zinio.com website. You must return to the Library's Zinio website.
- Zinio now provides email notification when new issues of your favorite magazines become available. Check the box that says **Email me when the next issue is available** during checkout.

Managing Your Account

- Use the **Account Settings** area of your Zinio.com account or the Zinio Reader app on your mobile device to stop receiving unwanted sample magazines, emails from Zinio.com, or to block adult content.
- To remove unwanted magazines on your computer or mobile device, connect to your Zinio.com account. Click **Your Library** (PC/Mac) or **Read** (mobile apps). Click **Edit Your Reading List** near the top of the screen. Click the red X button to remove the issue, then click **Done**.
