

Adaptive Umbrella

Wondering what to offer youth with disabilities and other special needs in the library, the classroom, or at home? Looking for ways to make your programming and services more accessible and engaging to people of all ages with special needs, while still being age respectful? Answers to these questions and more will be given by professionals in the field at this daylong workshop.

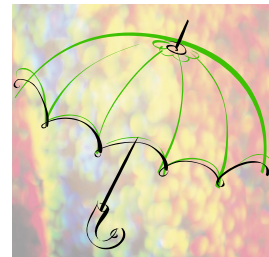

We thank the Friends of the Bloomfield Township Public Library for their continuing support of services to youth with special needs.
