

SENSORY-FRIENDLY ENVIRONMENT

# Art ABILITY

FRIDAY, MAY 17 AT 6:30-8:00 P.M.

Children, teens, and adults with disabilities, along with their families are invited to experience the library after-hours in an accessible, low-stress, sensory-friendly environment with visuals and a calming space. Visitors can explore the Bloomfield Hills Schools art show (verbal description for selected works), touchable Library art, and sensory literary art activities for all abilities.

**Special Guest: The Henry Ford Museum** – “Art on the Move: a Tactile Tour of Transportation History” with hands-on assembly line activity and craft.
