MINUTES OF THE BLOOMFIELD TOWNSHIP PUBLIC LIBRARY BOARD OF TRUSTEES

Bloomfield Township Public Library Oakland County, Michigan **Tuesday, September 19**

At 7:00 p.m. the Regular Meeting of the Bloomfield Township Public Library Board of Trustees was called to order by Vice-President Judy Lindstrom.

- **Present:** Trustees: Tom Deska, Sandra Edwards, Grant Gerhart, Joan Luksik, and Judy Lindstrom.
- Administration: Library Director Carol Mueller, Assistant Director Tera Moon, Director's Secretary Linden Godlove
- Guests: Ed Niemchak, Adult Services Librarian, and Staff Organization Committee Representative (SOC); Jen Taggart, Youth Services Librarian; Marianne Abdoo, Technical Services Department Head, and Anastasia Abdoo, Myers Scholarship Winner

Upon discussion, a motion was made by Joan Luksik, seconded by Tom Deska <u>TO</u> <u>APPROVE THE ORDER OF ITEMS FOR THE REGULAR AND CONSENT AGENDAS.</u>

A vote was taken for approval of the motion. Ayes: Deska, Edwards, Gerhart, Luksik, and Lindstrom Nays: None **MOTION CARRIED**

President's Verbal Report:

Vice President Judy Lindstrom announced that three people have now celebrated their one year anniversary with the Library: Board Secretary Tom Deska, Finance Coordinator Sandi Bird, and Director's Secretary Linden Godlove. Vice-President Lindstrom remarked that her brother has attended the National Book Festival, founded by Laura Bush, since its inception. It took place originally at the Lawn of the Mall and 100,000 book lovers joined this festivity. He was able to get the last ticket for the David McCullough speech and said the author "spent the end of his speech putting in a plug for the Library of Congress and the contribution of libraries to the America's Greatness. 'Whenever you're feeling down about the state of America, remember that we have more libraries than Starbucks.'"

Director's Verbal Report:

Director Carol Mueller requested that the Trustees check their grey folders for important information on the Friends of the Library for the Trustee Reference Manuals.

Tomorrow is the tree planting in memory of Trustee Pamela Williams, which is a gracious gift from

her friends from first grade. It will be a bittersweet moment, but a lovely Golden Dawn Redwood tree will be planted near the other redwoods along Timberlake Road.

Director Mueller announced that she had some wonderful patron comments to share. The Library had a wonderful concert on Friday, September 18, when Tom Sharpe, of Manheim Steamroller, performed. One commenter remarked that it was a "fantastic evening with an incredible musician...great to see attendees across several generations." The August Library Board meeting was just before the solar eclipse party on August 21--what a day that was! The Library received a long comment praising "...the outstanding, fast, friendly and efficient service I always get at the Library without fail." On a typical day at the Library there are about 1,000 visitors, however the Library had 1,880 guests that day and everyone did their best to make all guests comfortable. We ran out of solar eclipse glasses in about 45 minutes.

Carol called on Jen Taggart, the Library's resident expert on special needs and the Youth Services Assistant Department Head. Jen has worked with the Library for over 16 years and has been a Youth Services librarian for almost 19 years.

In 2007, Jen was inspired after reading an article about the Friends of the Troy Public Library purchasing adaptive toys for a special needs collection. She considered the needs of her own son, who was receiving special needs education and brought home lots of special needs items. She realized that materials like these could be made into a library collection that could circulate. She proposed a multi-media collection. The Friends generously gave \$10,000 to start up that collection. Jen Taggart met with several therapists, teachers, and educators in the Bloomfield Township school district and discussed what was needed in the community to reach out to the families. Together, they devised major components to collection: adaptive toys, speech therapy boxes, and more. The grand opening of that collection was in January of 2009. From that collection, they have developed adaptive programs and workshops, including a sensory story time for teens and adults with Adult Services Librarian Ed Niemchak. They have collaborated on outreach to Wing Lake Developmental Center, reaching youth with profound disabilities. The latest edition to the Youth Services Area is the inclusive technology section. The Friends of the Library funded this station that is geared towards special needs of all ages. It is a desktop station with all the software that is on the other stations, but additional software and an active seating stool.

CONSENT AGENDA MOTION:

Upon discussion, a motion was made by Joan Luksik seconded by Grant Gerhart <u>TO</u> <u>APPROVE THE ORDER OF ITEMS FOR THE REGULAR AND CONSENT AGENDAS.</u>

A vote was taken for approval of the motion. Ayes: Deska, Edwards, Gerhart, Luksik, and Lindstrom Nays: None **MOTION CARRIED**

REGULAR AGENDA:

Call to the Public: Vice-President Judy Lindstrom welcomed Ed Niemchak, Adult Services Librarian and Staff Organization Committee Representative (SOC).

Ed Niemchak shared that he and Jen Taggart are presenting a program at the Michigan Library

Association conference on October 19 about the Adult and Teen Special Needs Program--how to identify potential audiences and the difficulties in finding the audience, as well as details about the program itself. The Library is unique from other local libraries by offering these programs and resources.

UNFINISHED BUSINESS:

No unfinished business.

<u>NEW BUSINESS:</u> 11a Annual Policy Review

Director Mueller thanked the Policy Committee: Grant Gerhart, Eli Greenbaum, and Joan Luksik.

Each year, the Policy Committee meets to review all Library Board approved policies to ensure these are update to date and continue to meet library needs. While the Policy Committee did not have any recommended changes to Library Board approved policies at this time, there are two financial procedures that do need Library Board review: the Credit Card Resolution and Purchasing Guidelines.

Credit Card Resolution and Guidelines

The Library's Credit Card Resolution was adopted by the Library Board in January, 1999 and reviewed and revised in June, 2007. While there are no recommended changes to the resolution itself at this time, this is a good opportunity to review our credit card guidelines with the Library Board. Our Finance Coordinator, Sandi Bird, updated the credit card guidelines slightly to include the individual names of current credit cardholders and changed the format of these guidelines from a question and answer format to guidelines.

Upon discussion, a motion was made by Sandy Edwards, seconded by Grant Gerhart, <u>TO</u> <u>ACCEPT THE GUIDELINES FOR CREDIT CARD USE AS PRESENTED TO PLACE ON</u> <u>FILE IN THE LIBRARY.</u>

A vote was taken for approval of the motion. Ayes: Deska, Edwards, Gerhart, Luksik, and Lindstrom Nays: None **MOTION CARRIED**

Purchasing Guidelines

The Library's purchasing guidelines have not been updated, as far as we can tell, since 1998. At that time, the Library's purchasing guidelines generally followed Bloomfield Township's purchasing guidelines. Their guidelines were updated in 2005 to reflect new levels for requesting quotes and for when a formal bidding process is required. The Library would like to update its purchasing guidelines at this time to adjust for inflation and reflect appropriate amounts for getting quotes and publishing bids due to the higher costs of items.

Director Mueller is grateful to have our purchasing guidelines expanded and clarified and the bid amount increased slightly.

Upon discussion, a motion was made by Tom Deska, seconded by Sandy Edwards, TO

APPROVE THE LIBRARY PURCHASING GUIDELINES AS PRESENTED EFFECTIVE SEPTEMBER 20, 2017.

A vote was taken for approval of the motion. Ayes: Deska, Edwards, Gerhart, Luksik, and Lindstrom Nays: None **MOTION CARRIED**

OTHER:

Sandy Edwards gave a Friends meeting report, declaring it as "always a lively meeting". During the Friends Meeting, the Tribute Concert in memory of Larry Sabbath on Friday, December 8 was reviewed. Also discussed were the dates for the Sunday Book Sale and magnetic calendars. The Friends partnerships with Detroit Impact Center and the Corunna Public Library will continue. They will add a partnership with the St. Vincent De Paul Ladies of Charity, to which they are giving books to put in holiday baskets. The next meeting is October 4.

Judy Lindstrom shared that Director Mueller invited her to discuss the gardens that surround the building. "Linda's Garden" is the one in a round circle by the Library entrance. Judy Lindstrom recommends transforming it into a four season garden, which changes with every season. Urns will be placed around the garden, rather than the trash bins, with flowering shrubs in them.

Joan Luksik commented that in a conversation, her companion asked, "Why do we need a library when we have google?" and Joan shared about our Library, the special needs programs, the other Library programs, and her companion was rather floored.

Next Board Meeting will be Tuesday, October 17 at 7 P.M.

At 8:08 P.M. Vice-President Judy Lindstrom adjourned the meeting.

LIBRARY BOARD OF TRUSTEES MONTHLY DIRECTOR'S REPORT

October, 2017

I am very pleased to share that Marian Rafal, Youth Services Department Head, has once again been chosen as a mentor for the American Library Association mentorship program. Marian will be a mentor to a student who is completing bachelor degree requirements currently and hopes to enter library school next year. With her many years of wonderful professional experience and her enthusiasm for helping those new to the profession, Marian will be an excellent mentor. This person is extremely fortunate to have Marian as a mentor.

This week is National Friends of Libraries Week. Our Friends of Bloomfield Township Public Library is a group of amazing people who work so very hard to raise funds that enable this Library to provide wonderful collections and great programs throughout the year. The Friends highlight the fact that our Library is the cornerstone of Bloomfield Township providing opportunities for all to engage in the joy of lifelong learning. Their gift of time and commitment to our Library is priceless! Please join me in extending our sincere appreciation to the Friends of the Bloomfield Township Public Library for all that they do!

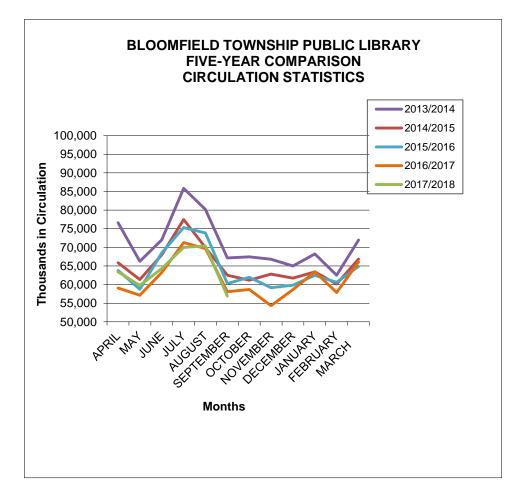

The ninth season of our Chamber music concerts, provided by the talented students from the University of Michigan School of Music, Theater and Dance, begins again on Friday, November 10 at 7:00pm. This is one of our Library's most popular programs. We are so grateful to the Friends of Bloomfield Township Public Library for their support of this wonderful musical series.

Respectfully Submitted,

Carol Mueller Director

MINUTES OF THE BLOOMFIELD TOWNSHIP PUBLIC LIBRARY ART COMMITTEE

Bloomfield Township Public Library Oakland County, Michigan Friday, September 15, 2017 2 p.m.

| Present: | Trustees: Judy Lindstrom, Joan Luksik, Tom Deska, volunteer Nancy Kulish |
|----------------|---|
| Library Staff: | Carol Mueller, Director; Tera Moon, Assistant Director; Linden Godlove, Director's Secretary; Adult Services Librarian Elaine Asher |

New Business:

Art in Staff Hallway

The Committee discussed having the "Best in Show" winning photo contest image to be framed and installed in the staff hallway. The potential spaces to hang art were reviewed. Temporary options were discussed. There were some concerns that the first "Best in Show" photograph was not very bright or colorful

Old Business:

Community Room Historic Photo Project – Informational Panel

The text for the Informational Panel was discussed. Carol Mueller shared a draft of text to accompany the historic photo collection. Linden Godlove gave a presentation reviewing several options for how the text and photograph information might be incorporated into signage. The committee thought a laminated sheet of information stored in a wall pocket was the best option. The committee preferred a layout of photographs that would fit on one sheet of paper.

Other:

Welcome Desk panels

The complications of the current panels were reviewed. The Library's name and branded logo is currently not on any signage within or outside the Library and it would be a welcome substitute to the current panels. Different designs were considered.

The sculpture "Pioneers" was offered as a donation to the Library. The Library would pay the cost to transport and install the sculpture. The committee discussed the merits and challenges of having sculptures on the grounds. It was unanimously agreed that the Library would not have sculptures on the grounds at this time.

Schedule next meeting:

Friday, October 13, 3pm

MINUTES OF THE BLOOMFIELD TOWNSHIP PUBLIC LIBRARY PERSONNEL COMMITTEE

The meeting of the Bloomfield Township Public Library Board of Trustees Personnel Committee was held in the Library on Wednesday, September 27, 2017 at 2:00 p.m.

Present: Trustees Eli Greenbaum, Sandy Edwards

Administration:Library Director Carol Mueller; Assistant Director Tera Moon, Finance
Coordinator Sandi BirdGuests:Joellen Earl, GovHR

Compensation and Classification Study Update

Joellen Earl, our compensation and classification study consultant, provided an overview of the study and reviewed recommendations with the Personnel Committee. Joellen reviewed the process followed, noted the salary survey results and discussed the three major recommendations: placing library staff salary ranges in the 75th percentile; changing titles for a few positions; and moving to an open salary range.

Joellen explained that placing salary ranges in the 75th percentile means that 75% of other area libraries' salaries are less than Bloomfield Township Public Library and 25% of area libraries' salaries are above this Library's salary ranges. Placing positions in the 75th percentile will allow this library to attract and retain "the best and the brightest" employees.

Title changes are proposed for Department Head and Assistant Department Head as the designation of "MLS" and "non-MLS" is no longer needed and a differentiation that is not seen anywhere else. The level of education is only one of nine factors used in classifying a position and is no longer appropriate. In addition, the title of Director's Secretary is not commonly used any longer and the proposed title of Administrative Assistant better reflects the position description. Finally, the title of Systems Technician is proposed to change to the title of Systems Specialist to acknowledge the higher level of information technology work performed in this position.

Joellen also recommends moving away from salary ranges with steps to an open range system. She outlined the benefits of an open range system including flexibility in administering salaries and the ability to move toward a performance based evaluation system in the future.

Joellen and Jaymes Vettraino will provide this same presentation to the Library Board at the next regularly scheduled meeting on Tuesday, October 17, 2017 at 7:00pm.

No future meeting date has been set.

MINUTES OF THE BLOOMFIELD TOWNSHIP PUBLIC LIBRARY BUILDING AND GROUNDS COMMITTEE

The meeting of the Bloomfield Township Public Library Board of Trustees Building and Grounds Committee was held in the Library on Thursday, October 5, 2017 at 2:00 p.m.

- Present: Trustees: Eli Greenbaum, Tom Deska, Joan Luksik
- Administration: Tera Moon, Assistant Director; Joel Dion, Facilities Department Head

Guests: Carol Fredericks, Steve Smith, TMP

Old Business:

Lobby Floor Options and Next Steps

Carol Fredericks presented a large board with two tile patterns in two different colorways of the Marazzi Urban District BRX tile. The committee recommends installing the tile in Carol's recommended parquet arrangement in the same area as the current test tile. Carol will arrange this installation with Library Administration.

Lower Level Water Remediation – Update

The committee reviewed a proposal from John Dell'Isola to begin preliminary designs of a solution to the lower level flooding that continues to happen in the maintenance workshop during strong rain storms. After much discussion, it was suggested that John attend the next meeting to address questions. The committee also suggested contacting Bloomfield Township Engineering regarding how the Library's storm water system connects to Bloomfield Township's system.

Dawn Redwood Tree Planting

The tree planting took place Wednesday, September 20 at 10:00 a.m. Pam Williams' sons, their families, and two of Pam's girlhood friends were in attendance.

Spaces RFP Update and Bid Award Recommendation

Tera Moon reported that five proposals were received in response to the Space Needs Assessment RFP that was released in July. The five firms are: Aaron Cohen Associates; dPop; FTCH; Kimberly Bolan & Associates; and Quinn Evans. Aaron Cohen Associates and FTCH were eliminated because quoted fees were beyond the Library's budget. Three of the five firms, dPop, Kimberly Bolan & Associates, and Quinn Evans, were interviewed at the Library by Carol Mueller and Tera Moon. dPop was eliminated due their lack of public library design experience. Kimberly Bolan and Associates is a small consulting firm that has a lot public library experience and worked with the Library on the most recent strategic planning process. Quinn Evans is a large, local architecture and design firm with many public library design and building projects in their portfolio. The architect on this project is James Mumby, who was the lead architect on the 2008 library building renovation. Mr. Mumby offers historical perspective and many years of experience designing public libraries and other public buildings. Geraldine Drake is the lead interior designer on this project. Ms. Drake brings many years of experience designing healthy interiors for Beaumont Health and public library design experience. For these reasons plus fees in the Library's budget range for this project, Administration recommends awarding this bid to Quinn Evans. The committee had many questions and decided to continue to review the proposals with the goal of providing further feedback to Tera by Wednesday, October 11.

Garden Enhancements

The committee approved proceeding with the designs and recommendations provided by Jim Slezinski of Goldner Walsh and Judy Lindstrom.

Welcome Desk Panels

The committee considered five welcome panel designs from Brian Castle at GroupEx. The committee agreed on choice #5 (library logo offset to right), but also wants to see the design that Laurie Tennent provides. Laurie had not provided a design at the time of the meeting.

Water Main Meter Connection

A section of pipe needs to be replaced. The repair will require shutting off water to the building. Joel Dion is overseeing this work which will happen on Friday, October 13, after the Library closes.

New Business:

Board Room AV Needs and Design

Tera reported that a consulting firm hired by Systems Department Head Joan Wu has made recommendations for upgrading AV equipment in all the meeting rooms, including the Board Room. Tera reviewed the list of upgrades for the Board Room. The committee did not have further suggestions for other AV equipment needed in the Board Room.

BLOOMFIELD TOWNSHIP PUBLIC LIBRARY MEMORANDUM

TO: Trustees

FROM: Carol Mueller

DATE: October 12, 2017

SUBJECT: Library Compensation and Classification Study

Joellen Earl and Jaymes Vettraino, from GovHR, will attend the October 17, 2017 Library Board meeting to provide a presentation of the Library's compensation and classification study results and recommendations. They will be available to answer any questions regarding this study you may have.

BLOOMFIELD TOWNSHIP PUBLIC LIBRARY MEMORANDUM

- TO: Trustees
- **FROM:** Tera Moon
- **DATE:** October 10, 2017

SUBJECT: Space Needs Assessment Bid Recommendation

Since the 2008 library building renovation, it has become clear that some spaces in the Library need to be re-evaluated. Some spaces are under-used, some spaces are used differently than originally intended. In addition, changes in technology and in our community have resulted in a need for more seating, more electrical outlets, and a tension between active and quiet uses of the Library. During the process of writing the Library's 2016-2020 strategic plan, the need to re-evaluate spaces was identified as a priority. The resulting goal is to provide an attractive easy-to-use and flexible facility and grounds that meet a variety of users' needs. Two staff work teams were tasked with considering our space and wayfinding needs. After much discussion and research, both teams recommended a consultant be hired to conduct a space and wayfinding needs assessment.

In July 2017, a request for proposals (RFP) for a consultant to provide space needs assessment services to the Library was released with an August 18 deadline. Five proposals were received in response to the RFP. The five responding firms are:

- Aaron Cohen Associates Croton-on-Hudson, NY
- dPop Detroit, MI
- FTCH Grand Rapids, MI
- Kimberly Bolan & Associates Zionsville, IN
- Quinn Evans Architects Ann Arbor, MI

The proposals were reviewed by Administration, the Building and Grounds Committee of the Trustees, and staff who worked on the strategic plan work teams. A chart summarizing the five proposals is included for your review.

Aaron Cohen Associates and FTCH were eliminated because quoted fees were beyond the Library's budget. Three of the five firms, dPop, Kimberly Bolan & Associates (KBA), and Quinn Evans Architects, were invited to the Library for an interview. After the interviews, dPop was eliminated due their lack of public library design experience.

Kimberly Bolan & Associates has a lot public library experience and worked with the Library on the most recent strategic planning process. Principal Kim Bolan is a librarian with a talent for interior design and has worked with public libraries around the country on space needs assessments and other design projects. While KBA knows trends in public library use and design, and would offer innovative possibilities, they are a small firm with no architect on staff.

Quinn Evans Architects is a large, local architecture and design firm with many public library design and building projects in its portfolio. The architect on this project is James Mumby, who was the lead architect on the 2008 library building renovation under the auspices of Fanning Howey. Mr. Mumby offers a historical perspective on the Library's design and many years of experience designing public libraries and other public buildings. Mr. Mumby sees this project as a unique opportunity to revisit a previous project with the intent of understanding what didn't work and improve upon it. Geraldine Drake is the lead interior designer on this project. Ms. Drake brings many years of experience. Ms. Drake is a leader in educating public buildings on the benefits of using healthy furnishings and is committed to a collaborative approach to design.

Administration recommends awarding this bid to Quinn Evans Architects. We feel this firm can provide the project with the unique combination of historical perspective and a fresh approach to design.

ACTION: I move to approve awarding the space needs and wayfinding consultant services bid to Quinn Evans Architects, 219 ½ North Main Street, Ann Arbor, MI 48104.

MOTION TO APPROVE ANY ITEMS REMOVED FROM THE CONSENT AGENDA

I move to approve the items previously removed from the consent agenda for discussion.

BLOOMFIELD TOWNSHIP PUBLIC LIBRARY MEMORANDUM

TO: Trustees

FROM: Tera Moon

DATE: October 9, 2017

SUBJECT: Strategic Plan Update

1. Marketing

This team will move forward as a marketing committee using the newly drafted marketing plan to improve community awareness. The marketing committee has been meeting monthly and is talking about ways to use the email marketing tools we already have more effectively.

2. Tours

New personnel have been assigned to this group. They have scheduled a library tour for January. They are working on developing a script that all staff can use for tours and revamping library maps to make them easier to use.

3. Building Assessment RFP

The two teams who helped to draft this RFP reviewed the five proposals we received in response to it. The teams have provided valuable insight. A firm will be recommended at the regular monthly meeting in October.

4. Staff Awareness

New staff has replaced departing staff. This team will start meeting again soon.

5. Programming

Having met the goal of creating a new newsletter, this team has been reviewing the Library's approach to programming. Recently the team discussed the registration process across the three public service departments that provide programs.

These investments will move us toward accomplishing our four strategic goals:

- Expand awareness, use, and support of the Library and its services.
- Further develop the highest level of customer service for Bloomfield Township residents.
- Increase use of and customer satisfaction with the Library's services and collections.
- Provide an attractive, easy-to-use, and flexible facility and grounds that meet a variety of users' needs.
