

## Special Needs Discovery Skills

These all-in-one kits in a backpack contain books, small toys, games and other manipulatives to teach a particular concept or life skill. They are especially great for visual and tactile learners. Here are some kits especially helpful for youth with autism &/or SPD:

Social Skills  
Daily Living  
Expressions/Emotions  
Focus/Self-Regulation  
Sensory Awareness  
Safety

## Special Needs Speech

Check out these colorful card sets for developing skills in emotion recognition, comprehension, articulation, “inferencing”, social awareness and other speech concepts.

## Special Needs Interactive

These books allow the reader to build simple sentences by attaching removable picture cards to open squares on each page. They help develop reading skills, speech, fine motor coordination and comprehension.

## Youth Services HI LO

The content and appearance of Hi Lo books are of high interest to older readers reading at a lower level. These books are currently located at the end of Youth Fiction.
