

Getting Started with Libby, by OverDrive

What is Libby, by OverDrive?

Access popular ebooks, audiobooks, and magazines for free using your library card and this friendly, easy-to-use app from OverDrive.

Getting Started

- Visit libbyapp.com or install the free app from the [Apple App Store](#), [Google Play Store](#), or [Windows Store](#).
- In Libby, follow the prompts to find the Bloomfield Township Public Library and enter your library card number and PIN.

Navigating the App

Use the icons in the footer to navigate.

- Tap  to browse the Bloomfield Township Public Library collection, Metro Net Library Consortium.
- Tap  to find your Loans, Holds, and Tags.
- Tap  to view your Activity Timeline.

When you find an available ebook, audiobook, or magazine issue you want, tap **Borrow**. By default, titles are automatically downloaded for offline use when connected to Wi-Fi. Tap **Actions** from your Shelf and **Change Download Rules** to change this setting.

Finding a Book or Audiobook

Browse the lists on the home page, such as “new,” “popular,” or “random.” Tap a link above your results to narrow your search. Tap **Refine** to sort or limit your search.

Search the catalog. Tap  in the footer to search for a title, author, or keyword. Tap  on the right for advanced searching.

Set your search preferences. You can screen out items that you’re not interested in. Tap **+ Preferences** to set preferences for all of your searches. Your settings will hold until you opt out of them or override with **Refine**.

Additional Resources

Tap  in the footer and select **Get Some Help** for tutorials or help resources.

Getting Started with

OverDrive® &

OverDrive and Kindle

Many OverDrive ebooks are available to read on Kindle devices and apps. Use these instructions to send a Kindle ebook to your Kindle device or app.

From a Browser

1. From a computer, tablet, or smartphone, visit metronet.overdrive.com.
2. Select **Sign In**.
3. Sign in with your library card number and PIN.
4. Find an available Kindle Book to borrow. You can see all of your library's Kindle Books by selecting the **Kindle Books** link near the top of the site
5. Select **Read now with Kindle**. You'll be taken to Amazon's website to complete your checkout.
6. Sign in to your Amazon account and select your Kindle's name from the menu.
7. Select **Get Library Book** on the right side of the page.
8. Your ebook is delivered by Wi-Fi to your Kindle and works like any other Kindle book. Your ebook will expire on your due date. If you do not have a Wi-Fi connection, search for "[How to transfer library Kindle Books via USB](#)" at help.overdrive.com.

From the Libby, by OverDrive App

Follow the instructions for getting started with Libby. When borrowing your first title in the app, you will be prompted to choose where you would like to read the ebook, Kindle or Libby. Select **Kindle** and follow steps 6 through 8 above.

If you are not given this option when borrowing an ebook, tap  in the footer and choose **Read Books With...** under **Help & Support**.
