

Getting Started with

What is myfilmfriend?

myfilmfriend is a new video on demand service offering high quality content for library members in the USA. Developed in Europe, the streaming platform provides library users with unlimited access to cultural content, including great movies, series, concerts, and award-winning documentaries. By subscribing to myfilmfriend, members get access to an expertly curated catalog of European & World Cinema - with daily recommendations for users! All titles are available for simultaneous, unlimited use—no waiting to watch.

Getting Started

- Install the free myfilmfriend USA mobile app from your smartphone or tablet's app store or visit btpl.myfilmfriend.com.
 - If in the mobile app, select **Michigan—Bloomfield Township Public Library**.
- Next, add your **Bloomfield Township Public Library card number and PIN**. (Note: the sign-in page refers to these as an ID Number and Password)

Finding Something to Watch

There are multiple ways to search myfilmfriend:

- Select from titles highlighted on the **Discover** page, which are arranged into small collections.
- Search the collection using the search box by tapping the magnifying glass at the top-right of the page.
 - Search by title, or browse by subject or genre using the **Filter By** options. You can also filter any search results by age range, release date, and language.
- Parents can filter by selecting titles from the **Kids** tab, or creating an **Age Rating PIN** from your Account page.
- To save titles for future viewing, add titles to **Watchlist** using the Bookmark icon. Your Watchlist will populate on the **Discover** page, as well as your Account page.
