

# Bloomfield Township Public Library

# CULTURE CARD

## What Is Our Purpose

We are a community center connecting people to resources, technology, & support.

## How We Perform

We provide personalized, excellent service in a welcoming environment that encourages discovery.

## What We Do

We serve a diverse population and are a space for them to interact and discover at all stages of life.

We provide access to materials and resources that enrich and build equity within the community. We represent people through diverse collections and programming and champion their privacy and First Amendment rights.

## Our Culture

### Respect

Our staff is passionate and knowledgeable. We strive for every individual to be supported and respected while at the Library.

### Teamwork

We support a collaborative culture within the Library by working together within and between departments.

### Support

Staff members are recognized for their successes and mentored on how they could improve. Supervisors aim for positive solutions that encourage growth.
