

# I Go to Sensory Story Time at the Library

It is story time!

I walk into the  
Story Room at  
the library.

I find a spot to sit  
in the Story  
Room.

The picture schedule tells me what we will do today.

I say hello with  
the story time  
ball.

When it is my  
turn, I can roll the  
ball to a friend.

I get my body  
ready for story  
time.

I move my body  
and breathe to  
feel calm and  
ready.

I listen to rhymes.

Sometimes there  
is a rhyme on the  
flannel board.

I listen to stories.

Sometimes there  
are things to  
touch and feel  
during the story!

I use the  
parachute. I hold  
on to the handle  
and help move it  
up and down.

Or I sit  
underneath and  
watch as it  
moves up, down,  
and around.

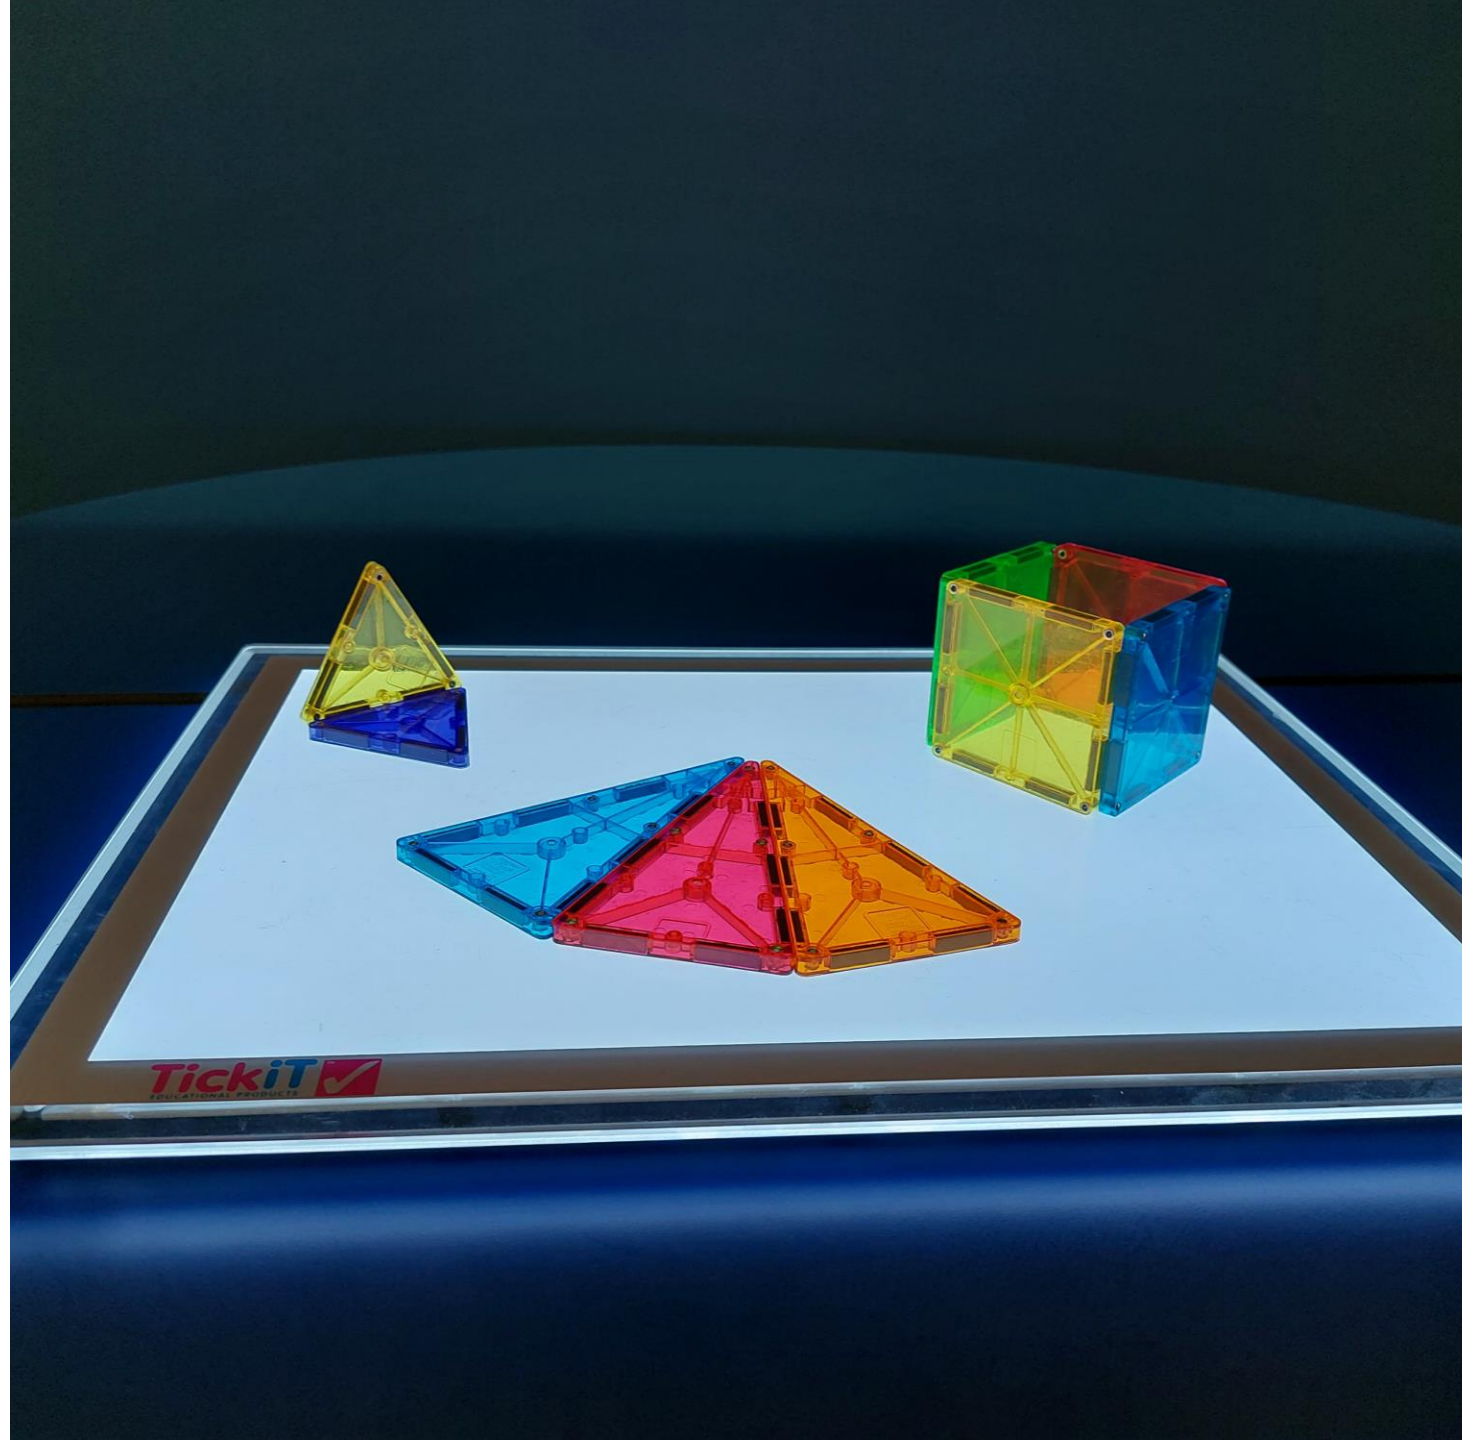

Story time is  
almost over!

I wave goodbye  
when we sing the  
goodbye song.

After story time, I  
can play in the  
Story Room for a  
little while.

I love coming to story  
time!
