Getting Started with OverDrive & kindle
OverDrive and Kindle

Many OverDrive ebooks are available to read on Kindle devices and apps. Use these instructions to send a Kindle ebook to your Kindle device or app.

From a Browser

1. From a computer, tablet, or smartphone, visit metronet.overdrive.com.

2. Select **Sign In**.

3. Sign in with your library card number and PIN.

4. Find an available Kindle Book to borrow. You can see all of your library's Kindle Books by selecting the **Kindle Books** link near the top of the site

5. Select **Read now with Kindle**. You'll be taken to Amazon's website to complete your checkout.

6. Sign in to your Amazon account and select your Kindle's name from the menu.

7. Select **Get Library Book** on the right side of the page.

8. Your ebook is delivered by Wi-Fi to your Kindle and works like any other Kindle book. Your ebook will expire on your due date. If you do not have a Wi-Fi connection, search for "How to transfer library Kindle Books via USB" at help.overdrive.com.

From Libby, the Library App

Follow the instructions for getting started with Libby. When borrowing your first title in the app, you will be prompted to choose where you would like to read the ebook, Kindle or Libby. Select **Kindle** and follow steps 6 through 8 above.

If you are not given this option when borrowing an ebook, tap ☰ in the footer and select **Settings**, then choose **Read Books With...**
